AUTUMN

On autumnal Friday nights our cheerleaders, Ram, band, and even the juniors in the concession stand cheer our football team on to victory.

In October humorous skits are performed at the Tri-Masque initiation; excitement reigns supreme as the Homecoming court is presented to the student body at the pep rally prior to the game with Willard.

Soon after the cast & committees prepare for opening night of the Jr. Class Play.

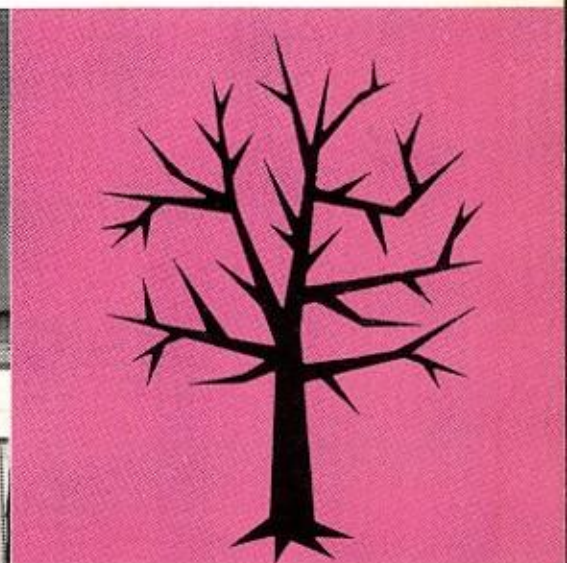

WINTER

In December the Christmas spirit at U.S.H.S. is enlivened by Christmas trees, stained glass windows, Santa Claus, the Hi-Y food drive for the needy families in Wyandot County, band and choral concerts and the annual Hi-Teens--Hi-Y Christmas dance.

The pace is sustained throughout January with the try-outs and rehearsals for the upcoming musical.

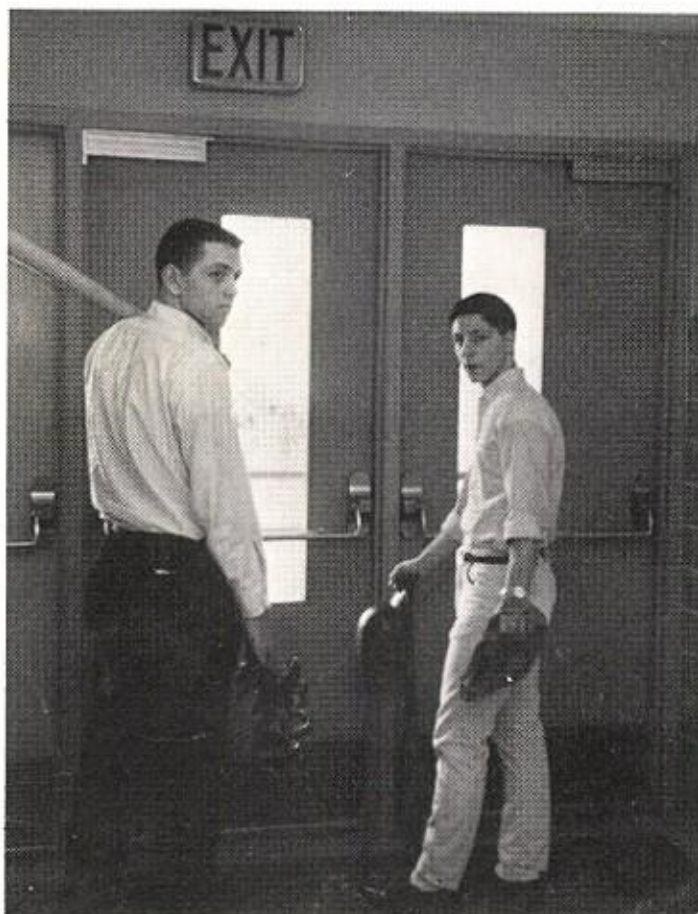

SPRING

Spring is ushered in with the completion of term papers, the musical, and many banquets. The juniors take National Merit Scholarship tests and pick the co-chairmen for the prom. The members of the National Honor Society are also chosen and inducted.

Many sports including baseball highlight the warm spring days.

As the school year comes to an end, the seniors look forward to graduation and the future.

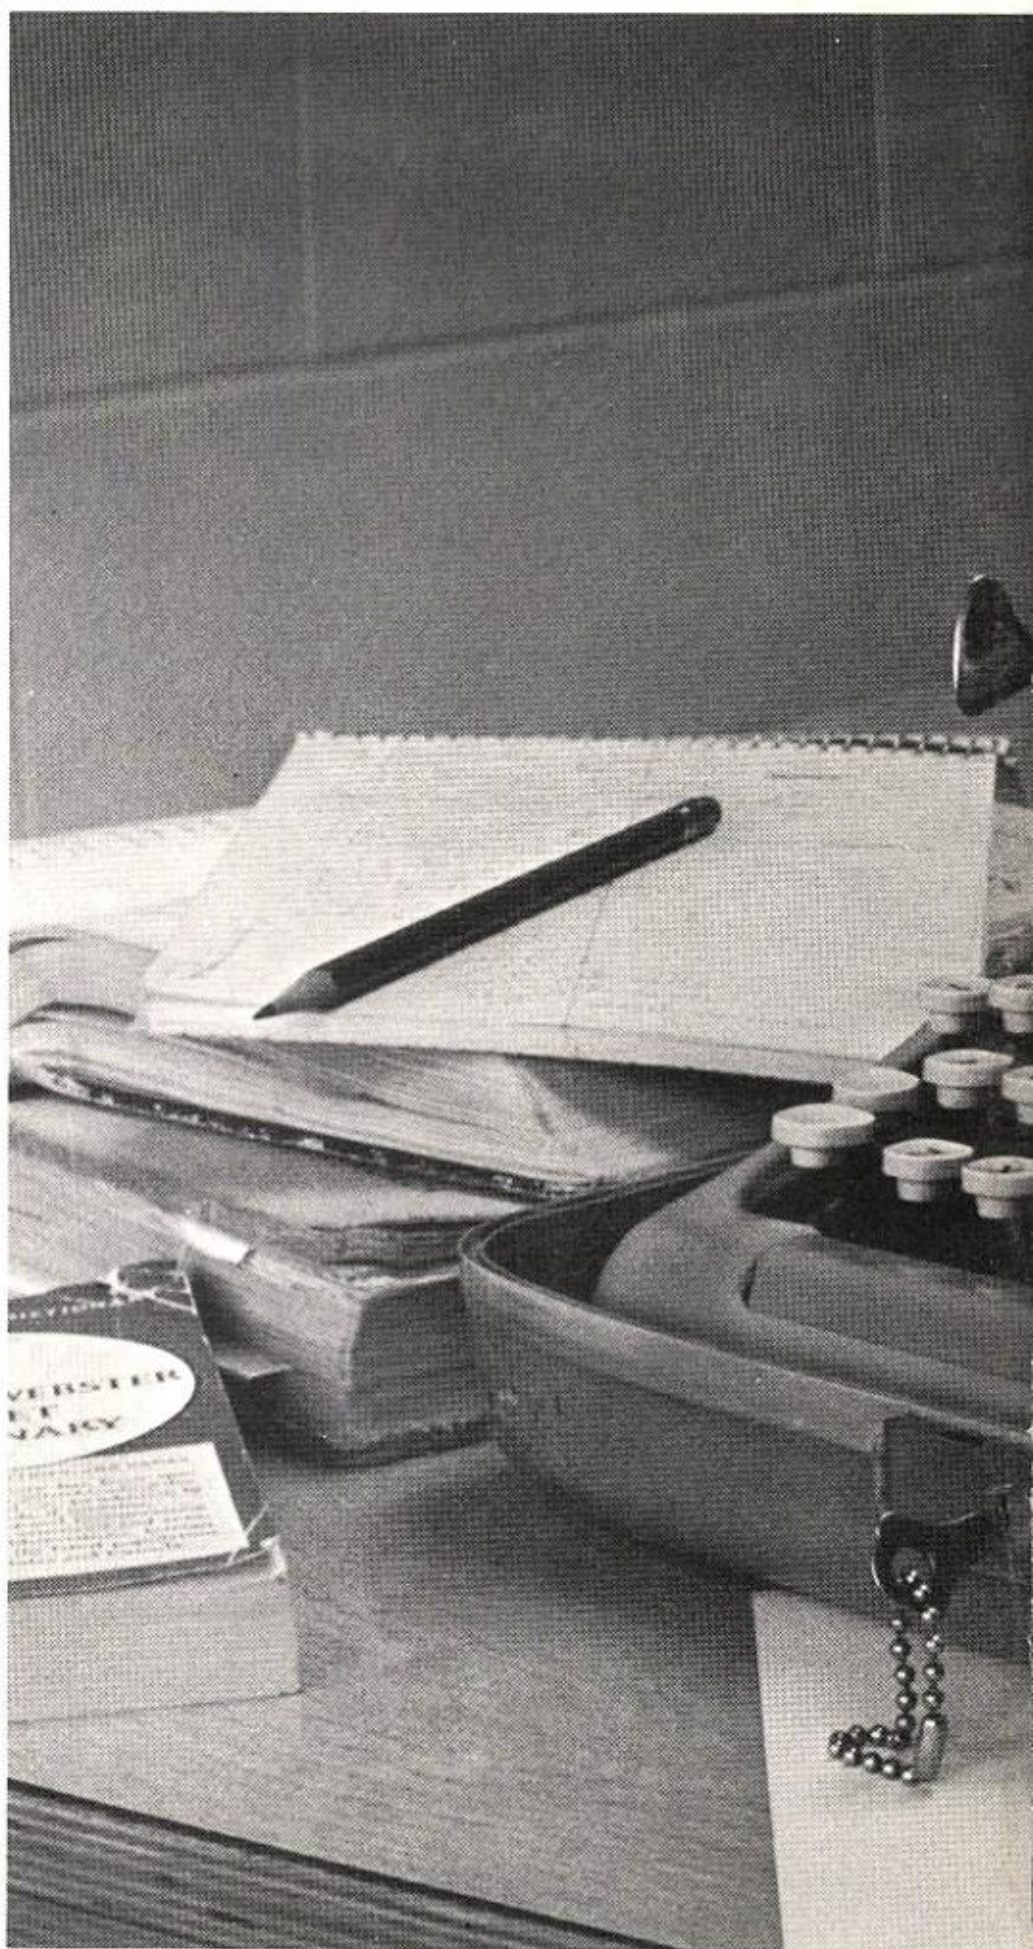

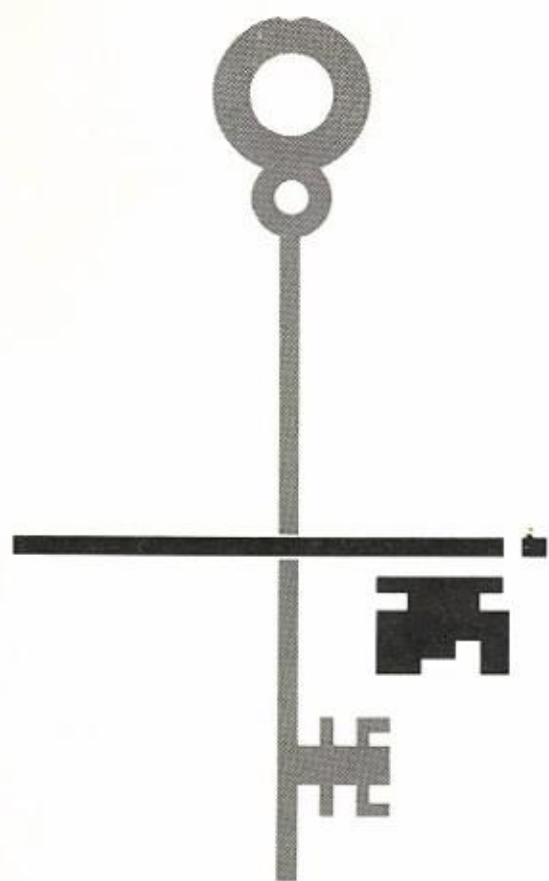

DEDICATION

We, the students of Upper Sandusky High School, dedicate this 1965 Indian Village to the community for its sincere support of our schools. The question of education is one that concerns every individual in the community. The school belongs to all and should be supported by all. It touches every life and makes it richer. It gives youth the training that will make them prosperous and useful citizens. The citizens of this community have proved they have a common interest, a true spirit of co-operation, and a real desire for the common good--which are fundamental factors in the growth and development of any community.

ALMA MATER

Hail to thee our alma mater,

We within thy halls have sought for
Wisdom, knowledge, truth.
Beloved school to thee we pledge,
As earnestly we try
To nobly live and serve each other
Honoring Upper High.

FIGHT SONG

We're Rams from Upper High
Go, fight, win is our cry.
V-I-C-T-O-R-Y
We now salute our alma mater.
Shout for a victory,
And we will raise our score,
As we give all our might
For a victory tonight
For RAMS evermore.

This year's varsity squad failed to recapture the N.O.L. title, but they did not fail to display the exciting brand of basketball which the local fans have come to expect. They polished off 8 straight opponents on the home court without a loss. The Rams compiled another fine record of 12 victories and 7 defeats, while presenting Coach Fisher with his one hundreth victory at Upper.

OF CHAILLOT

Waiter! Some water and four glasses. Hurry. This round, gentlemen, is on me. And--I shall propose as a toast--International Substrate of Paris, Incorporated.

Constance, we love you dearly, as you know. And we love Dickie, too. But this is too serious a matter. So let's stop being childish for once.

And what does that mean, if you please?

It means Dickie. You know perfectly well that we love him and fuss over him just as if he were still alive. He's a sacred memory and we wouldn't hurt his feelings for the world. But please don't plump him in my lap when I'm settling the future of mankind.

Money sticks to me like a mustard plaster. Like on the Exchange. If you buy a stock, it goes down like a plummet, but if I buy a stock, it turns around and soars like an eagle. If I buy at thirty-three--

Resolved, the Duchy of Grand Fenwick, having taken all steps it can to remedy the matter peaceably, does here and now, and by these presents, declare that a state of war exists between itself and the U.S.A.

Here it is! Beautiful, eh? The mass difference of the nucleus is the greatest yet achieved.
